

CLK LOCKERS

BISLEY

Helping you work better anywhere

HAVING SOMEWHERE TO KEEP YOUR PERSONAL THINGS SAFE GIVES PEACE OF MIND AND PUTS YOU IN CONTROL.

Whether you're mobile or office-based, keeping your environment organised and clutter-free makes for a more productive workplace.

CLK lockers by Bisley are a smart and cost-effective personal storage solution that is suitable for all work environments.

Care has been taken with the design of the lockers. An elegant aesthetic is achieved with the clean lines and concealed hinges.

As well as standard lockers, the range includes the CLK Locker Cube, a single compartment locker that can be stacked, allowing you to fully utilise the space available.

Where multiple CLK locker columns are created, they can be ganged together to offer greater stability and a neat installation.

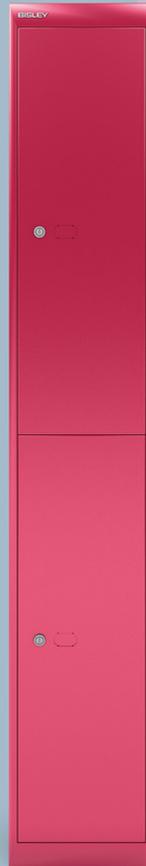

POSSIBILITIES

CLK lockers are available as single columns only but have the ability to be ganged together to create large banks of lockers. Choose from one, two, four or six doors per column. Or for a more flexible approach, build up individual CLK Locker Cubes to create a configuration that best suits your space and workforce requirements.

With the choice of 12 colours from our Classic palette; both external doors and carcasses are finished in the same colour for a smart, consistent finish.

Sloping tops are available for large banks of CLK lockers, discouraging users to leave belongings on top of the lockers – please contact your Bisley representative for more information.

PRODUCT BENEFITS

- **Secure** – With a key lock included as standard, you can choose to upgrade to coin return or hasp locks. Digital and combination locking solutions are also available, contact your Bisley representative for details
- **Sturdy** – Hand-built to last, the steel carcass, doors and internals make for durable storage of personal items
- **Buildable** – Easily bolt multiple locker columns together or build up with CLK Locker Cubes as required
- **Colourful** – External doors and carcasses can be finished in a choice of 12 colours to suite in with your brand and create a bright, welcoming personal storage area
- **Quality design** – Designed with an attention to the details, with the clean lines and concealed hinges to create a seamless finish

Please note CLK Lockers and Locker Cubes are not suitable for wet areas.
